

## **A Virtuous Woman**

**“4 A virtuous woman is a crown to her husband: but she that maketh ashamed is as rottenness in his bones.” (Proverbs 12:4 KJV)**

*He that is blessed with a good wife is as happy as if he is sitting upon the throne, for she is no less than a crown to him. To have a virtuous wife is to be a king. A virtuous wife would have and brings a tremendous impact upon your life.*

*A virtuous woman, that is pious is prudent, ingenious and industrious, that is active for the good of her family. She knows how to prepare different kinds of needed food and drinks. She prepares and arranges cloths for all her household, their beds and the bed sheets. She know how to keep expenditure within budget, and she knows how to save money and keep things well organized in the house.*

*A virtuous woman, looks well to the ways of her household, she look after the children and teaches them God’s ways and discipline them.*

*A virtuous woman she makes conscience of her duty in every relation inside the family and with people around her*

*A virtuous woman is a woman of spirit, who listen to her husband, learn from his instruction and obey him; who can discern and differentiate between good and evil, and who discern danger and problems from afar and who prepare herself and her household for the days to come.*

**But she that maketh ashamed is as rottenness in his bones:** *He that is plagued with a bad wife is as miserable as if he were upon the dunghill; for she is no better than rottenness in his bones, an incurable disease, besides that she makes him ashamed.*

*The bad wife is slothful, wasteful and wanton, passionate, ill-tongued, and ruins both the credit and the comfort of her husband. If he goes abroad, his head is hung down, for his wife’s faults turn to his reproach. If he retires into himself, his heart is sunk; he is continually uneasy; it is an affliction that preys much upon the spirits.*

*In contrast to the bad wife is the virtuous woman; she is a person that can bear crosses without disturbance, she is a good help to her husband and a big support to him in times of troubles and trials. She is not a burden but a help.*

**A virtuous woman is a crown to her husband:** *A virtuous woman such a one owns her husband for her head, and therefore she is a crown to him, a honour to him, a supports to him and keeps up his authority in his family, as a crown is an ensign of power.*

*She is submissive and faithful to him and by her example teaches his children and servants to be so too.*

## **My Prayer**

*Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord thank you for your word and your good promise of the virtuous woman to those who obey you and walk in your ways. Lord I pray that your promise will come true in my life and you will prosper my soul and my family and all what you bless me with. I thank you and praise you; this is my prayer in Jesus name, Amen.*
