

A Wise King

“A wise king scattereth the wicked, and bringeth the wheel over them.”

(Proverbs 20: 26 KJV)

Wisdom will come to man when he humble down and will start to fear the Lord.

When the fear of God will come to man, will help him to be bold and strong to face sin and wickedness.

A wise king scattereth the wicked, wicked people should not only be avoided but needed to be push away from us. A wise person he will not only avoid or push away wicked people from him but he will also scatter them.

When the people were building the tower of Babel, God went down and scattered them. Therefore the wise person is a person who work with God and will worked it out that he will scatter wicked people. Because if the wicked people are allowed to come together and united, they will be having power that will be used to do evil and to kill and steal and destroy.

A wise king scattereth the wicked, and bringeth the wheel over them: A wise person will not only scattering

the wicked people but he will also work it out to be destroyed so that their evil thoughts and plans will come to nothing.

The Word of God does not teach us to revenge or retaliate or to destroy people life. But the Word of God do teaches us to oppose the work of wicked people and bring the justice of God and Christ against and over them.

Wicked people when they are void of their power, privileges and authorities will be paralyzed and in return will not be able to do mischief.

The wicked when they are scattered and their wicked partners will be brought far away from them, and when they will be put under the judgment of God and under the authority of God's church the following would be taken place:-

- 1- The wicked person might repent and turn to God and be part of His Kingdom and His divine power.
- 2- Evil and wicked deeds will be coming to an end.
- 3- Other wicked people when they hear and see, they may take heed and start to fear God.
- 4- Other people around will discern that there is a righteous life that God called them to live.

A wise king scattereth the wicked, and bringeth the wheel over them: Countries and nations will use different means of fines, penalties, imprisonments, and other measures to bring to an end the deeds of the wicked, scattering them and ultimately destroy them, in order to bring reformation, righteousness and justice in the mid of the people life.

A wise king scattereth the wicked, and bringeth the wheel over them: Paul said in his letter to the Corinthians the following, “3 **For though we walk in the flesh, we do not war after the flesh:** 4 **(For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;)** 5 **Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;** 6 **And having in a readiness to revenge all disobedience, when your obedience is fulfilled.”** (2 Corinthians 10:3-6 KJV) Church leaders over church members, and parents over children are people in King's position to protect the people under their care from wicked invasion, and are responsible to keep holiness, justice and righteousness in their mid. Therefore they ought to do what is in their authority to apply Proverbs 20 verse 26 in their life and ministry.

I pray that the message had inspired you toward love, justice and

righteousness to apply it faithfully in your life as you commit yourself to God and agree to pray.

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord thank you for your word that showed me what is my real responsibility to protect those who are under my care. Lord I commit myself to deal with the wicked and their wicked deeds in accordance to the Word that I had received from you. Lord gives me the strength, the good health and the boldness to do that. Protect me and provide for me. This is my prayer in Jesus name, Amen.
