

# The Power To Get Wealth

*Jesus said, "But lay up for yourselves treasures in heaven." (Matthew 6:20 KJV) This means to translate material things into heavenly treasures. God gives us material things to live away from sin, to live in holiness, and to let the work of God go well as He ordained it.*

*The writer of Hebrews said to the persecuted church, "And took joyfully the spoiling of your goods, knowing in yourselves that ye have in heaven a better and an enduring substance." (Hebrews 10:34 KJV) Persecution contributes to suffering and the confiscation of goods. Today many Christians are never being persecuted but they are perishing in poverty. Why? Mismanagement of finances are the sins and the reasons. Many of Jesus' parables speak about God's judgment on bad stewardship. Indeed, God had placed treasures in your hand, but if you had messed up somewhere, today, the Lord wants you to go back and correct it.*

*This book in your hand, "The Power To Get Wealth", is based fully and only on the Bible. It speaks in details about financial mismanagements. You will learn of pitfalls, mistakes, and sins that cause people and churches to err in areas of finances. You will be able to see yourself and discover principles, thoughts, and Biblical solutions to apply in your life to move out from your financial crises. You will receive tips, skills, and strategies that will make you fruitful in your family, ministerial life, and God's Kingdom.*

*I pray that your life will be transformed and delivered from financial bondages as you start to apply the principles of His Word in your life. May the Lord richly bless you and make your life fruitful unto HIM and for His glory alone.*
