

Church Clinic:

“But when Jesus heard that, he said unto them, They that be whole need not a physician, but they that are sick.” (Matthew 9:12)

The Church of God, United Arab Emirates, privileged with online clinic that offers medical services and consultations whether in conventional or in naturopathic holistic medicine to the brethren who suffer from medical condition,

The target and privileges of the Church Clinic:

- 1. Provides healthy advices about food and healthy style of life.*
- 2. Offers prayers and the Word of God, and encouragement to strengthen the faith that will aid in the process of healing.*
- 3. Aids n the diagnoses and treatment of various medical conditions.*
- 4. A second opinion to cases that need major health intervention.*
- 5. Helps the brethren to avoid unnecessary medical investigations, medications and interventions and also to spare them financial loss.*
- 6. Introduce food as medicine to treat various chronic conditions like heart diseases, hypertension, atherosclerosis, diabetes, depression, anxiety, headache, joint pain, etc.*
- 7. Offers follow up and consultation to chronic cases or critically ill patients.*
- 8. All services are free of charge to aid the brethren who cannot afford.*

The privileges of this service are available for our brethren, their families and those whom they are reaching out, also the poor and the needy, orphans and widows and the rest who are under privileges.
