

***“If the Son of Man
set you free, you are
free indeed.”
(John 8: 36)***

Don't think any situation in life will hinder your freedom! Many people think that if they will get better job, lesser hours of work, higher qualification, better study, luxurious income, or if they can go to developed countries they will enjoy more freedom.

Others think that if they are younger in age and healthier in body, more sociable in their relation and friendly in their behaviors they are more free.

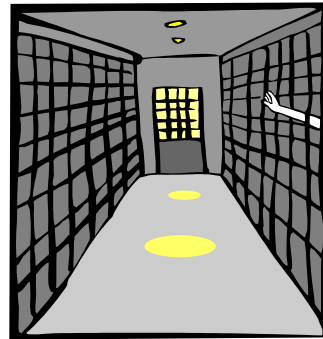

There are groups who complain of their superiors, bosses, or governors and rulers of their society or the country they are living, and they say, “If that man will be changed or that person in authority we will be removed we will be more free.”

While still some other people search in the past history and speak about the negative previous events, they

continue to build many false assumptions of failures in the future because their eyes are focused backward and not to God.

In vain what are you speaking? In all that you mentioned where is the promise of God? If Jesus has already set you free when He died on the cross and rose again for you, you are free. Jesus sets you free from sin and death. He died for you to give you new life.

Now, are you assured that no one can hold back the blessing that God has allocated for you?

MY PRAYER

Dear God: Thank You for Your great love and concern to me. I want to feel the freedom You gave me in Jesus. O Lord, guard my heart and guide my thought. Bring me out from the prison of my mind and help to look at You only in all the details of my life. This is my prayer to You in Jesus' name, Amen.
