

“For a man’s ways are in full view of the Lord, and He examines all his paths.”
(Proverbs 5: 21)

In big supermarkets, banks, hospitals, important institutes and other places there is a full camera security system that works continually all around the clock to examine and record any event and to respond promptly to any emergency situation; robbery, accident, etc.

The whole world is very important to God; He looks to all the mankind. With loving and compassionate heart the Lord watches over us. Our ways are in full view of the Lord, examining everything.

Ooooh! Yes, you are under full camera viewing of the Lord. He examines every movement of us. As well He screens the heart of the

people; what you speak, what you hear, what you see, and what your hand is doing is under scrutiny. He concerns with anything we do, and He is interfering if any sin corrupts our life.

“But where sin increased, grace increased all the more.”
(Romans 5:20) This is not invitation to go on sin, but to repent and go back to God and to follow His decrees. God sent His son Jesus to save the world from sin, and to give eternal life to those who believe.

The Lord's camera is for justice, looking for holiness and doing cleansing. Beware not only about His watching over you but His grace that can forgive, cleanse and justify.

MY PRAYER

Father God, I thank you for your watching eye over me and in examining my path. Forgive me my sins and cleanse me from my wrongdoing. Deliver me Lord. See if there is an offensive way in me, and lead me in the way everlasting, in Jesus name I pray, Amen.

“Search me, O God, and know my heart; test me and know my anxious thoughts. See if there is any offence way in me, and lead me in the way everlasting.”
(Psalm 139: 23-24)
