

**“Give us today our daily bread.”**

*(Matthew 6:11)*

*This is part of the prayer that Jesus had taught us how to pray and ask God. It emphasizes the following:*

**1. God provides:** God is our Creator. He created everything on earth before He created us. He is the provider of all our needs. As we pray, we rely on God to give us our daily need, whether our food, drink, or our clothes and shelter. We express our belief that He is all-powerful or Omnipotent.

**2. God cares:** Our prayer represents our dependence on God each day. As we open our eyes in the morning we perceive the true presence of God in our lives. While we forward to Him, not only our physical needs but as well, we give Him our burdens, and cast upon Him our worries and anxieties we acknowledge His ever-presence or Omnipresent.

**3. God loves:** God is loving and compassionate to everyone who believes in Him and who come to know Him personally through Jesus. God gave His Son Jesus to die for our sins and we become God’s children. As a Father His ears are attentive to our prayers, and He assures us that we don’t need to think much about tomorrow. He knows our needs because He is all-knowing or Omniscient.

### **MY PRAYER**

**Father God in Heaven: I commit myself to You. As your child, I think about Your love as a real Father to me, who cares and watches over me. Increase my faith in You, O Lord, and teach me more of your ways. You are my banner, my shelter, my provider, and my help in times of need. In all the days of my life, I thank You, Father. In Jesus’ name, Amen.**

**“Then Jesus declared, ‘I am the bread of life. He who comes to me will never go hungry, and he who believes in me will never be thirsty.’”**

*(John 6: 35)*
