

**“Peacemakers who saw in peace raise a harvest of righteousness.”**

*(James 3: 18)*

Sowing is symbolic to any work or effort before achieving certain thing in life. The seed is small when it is sown, but gradually grows to become a plant and ultimately soon to bear fruit ready for harvest. A good project when just started or planted is small as a seed. While it increases and prospers, it becomes beneficial to many.

The above verse from the Bible gives mandate for a work to yield a good result or harvest.

**1. Peacemakers:** “Blessed are the peacemakers, for they will be called sons of God.” (Matthew 5: 9) Those who work with good motive to serve God and to serve the people, they are inspired by God. They give honor to the Lord while they do good work; not for their own interest but for the benefit of others and for the kingdom of God.

**2. Peace:** Like water for the plants to grow, is the atmosphere of peace that makes any work bloom. Real peace comes only from Jesus our Lord, who died for us on the cross, as the Bible says, “The punishment that brought us peace was upon Him.” (Isaiah 53: 5)

If you are longing for a large harvest, you are to be challenged by the living word of God. Thus, in all aspects of your life be a peacemaker and work with peace and pray from your heart:

### MY PRAYER

**Father God in Heaven: I come to You in the name of Jesus who died on the cross for my sin to give me eternal life. Forgive me my sins, I pray. Cleanse my heart and guide me in the way of righteousness to be a peacemaker among the people, to work in peace with everyone, and to reap a good harvest. Thank you Father. This is my prayer in Jesus’ name, Amen.**

**“Now may the Lord of peace himself give you peace at all times and in every way. The Lord be with all of you.”**  
*(2 Thessalonians 3: 16)*
