

“I will give you a new heart and put a new spirit in you; I will remove from you your heart of stone and give you a heart of flesh.”

(Ezekiel 36: 26)

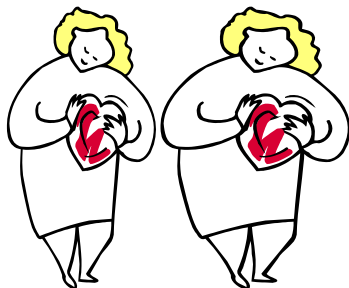

Every promise of God is true. We know, and we are sure that every God’s word will be fulfilled. This assurance gives hope and peace in our lives. God’s word brings us peace and enables us to walk in His righteous ways.

Science and Technologies may be able to make changes, duplicate many things, or bring out external great things. But there is one thing that a man cannot do – to change what is in your heart and in the hearts of others.

No one can remove from your heart the hatred, the anger, unforgiveness, lust, greed for money and other evil things. If you are keeping these things in your heart, they give pain and sorrows, and make your life miserable. Some people recognize these things as evil, and they recognize the bad consequences they bring in their lives and in the lives of

others. But even they try to change themselves, they may overcome certain bad habits for sometime but soon they will find themselves back to where they were or to a new bad situation replacing their previous sin.

What is the solution? The greatest Surgeon is God, who promised and said, **“I will give you a new heart”**. God sent His Son Jesus who died on the cross to pay for our sins. Through Jesus, our inner hearts can be changed. God will replace our old stony and useless heart with a pure heart of flesh, full of love and compassion.

MY PRAYER

Father God in heaven, I kneel down before You and I ask You to forgive me all my sins and trespasses. I believe that Jesus died for me on the cross to pay my sins. Lord, as You promise to give me a new heart and put a new Holy Spirit in me, so I may live a life pleasant to you, help me to follow all your ways and obey all your commands. Thank you Lord. This is my prayer in Jesus’ name, Amen.

“Teach me your way, O Lord, and I will walk in your truth; give me an undivided heart, that I may fear your name.”

(Psalm 84: 11)
