

***“The LORD will fulfill his purpose for me; your love, O LORD, endures forever — do not abandon the works of your hands.”***

*(Psalm 138:8)*

*God had a purpose in creating man. Every human born, God had a specific and special purpose in the life of that individual. He has a plan for him and certain task he needs to do and achieve for God.*

*Out of His love God created man to have fellowship with him, and out of his love God sustained man with all what he created. The Lord put all what he created from animals and plants under the authority of man so that man may live in abundant life with God and be fruitful and multiplies and brings glory to the Lord.*

*God’s purpose shall be prevailing in man’s life. Man may go off the purpose of God and circumstances may come and hinder his purpose to be achieved. But God through his enduring love will forgive man and give him another opportunity to repent and come back again to the original plan and work with God to achieve that particular purpose in man’s life.*

*Many they had experienced periods in their lives where they went off and away from the plan of God and how God brought them back to his good plan so they can achieve His purpose in their lives.*

*Many also they were not aware about the great plan that God had for them but*

*finally through his love they were enlighten and got aware of God’s goods plan and purpose for them.*

***Do not abandon the works of your hands:*** *As you become aware of the purpose of God in your life then you are more appreciative to that, your faith will be build up on the gracious God who had called you from darkness into the light for a glorious future and life with him forever. You will also be realizing how the Devil is fighting against you to hinder you from achieving the purpose of God in your life, and that is why in certain period where the evil one is attacking, you find yourself crying to God and saying to Him, “Do not abandon the works of your hands.”*

### ***My Prayer***

***Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord thank you for your good plan for me. Lord makes me more aware to the purpose that you want to achieve in my life. Lord sustains me to persevere in that, and forgive me when I got weak and go away from your purpose. At these moments when the enemy is fighting again me, O Lord do not abandon the works of your hands in Jesus name, Amen.***
