

“A fool shows his annoyance at once, but a prudent man overlooks an insult.”

(Proverbs 12:16)

No one likes to be annoyed and disturbed. Everyone like things will go according to what agreed upon; that everyone will receive his rights and no one will take advantage and receive what belongs to others.

That particular above system is the truth and that what is expected to see on the scene. But in practical and realities most of the time you cannot see the ideal; human with its sinful nature will endeavour to rebel against what God ordained and do wrong, transgress and take other people rights.

Such things when it happen will cause us to become annoy, react and become angry. That is normal because we are not happy to see things get wrong and breaking God[s rule.

Such things are insults to us, but God does not want us to react and take actions that will bring more harms and damage.

A fool shows his annoyance at once: When the Lord spoke about the parable of the wheat and the weed, he explained that the enemy had planted the weeds, **“The servants asked him,**

‘Do you want us to go and pull them up?’ **“No,’** he answered, **‘because while you are pulling the weeds, you may root up the wheat with them.’** **(Matthew 13:28-29)** The Lord does not want us to react and do foolish things and cause more harms than what had happened.

But a prudent man overlooks an insult: We will get hurt, but we will not react. Instead we will act and do what the Lord would lead us to do according to His word. We will humble down to accept and receive the insults in order for God’s plan and will be glorified and put on the ground.

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord take full control over my life, feelings and emotions. Lord takes away all my anger and consumes me with your Holy Spirit fruit. Lord fills me with your wisdom, and captivates my heart with your thoughts and word and lead me to take the right action at the right time. This is my prayer in Jesus name, Amen.

“A fool gives full vent to his anger, but a wise man keeps himself under control.”
