

“A sluggard does not plow in season; so at harvest time he looks but finds nothing.”

(Proverbs 20:4)

Why some people they don't have harvest in their lives? Because they did not plow the ground and they did not put the seed.

Every season or day in your life there is a harvest you are expecting to reap in that particular day or season. But if you have not done your part or you had delayed in doing it then you will either have no harvest or less in what you expect to reap.

Many times there are things you know that you need to do, but you delay in doing it and you cleverly put many excuses.

But laziness is the main reason for you to put aside all the important things that you need to do and achieve.

Laziness can be manifested as repeatedly postponed to do the required action. Or can be manifested by expressing certain fear and use it as excuse to delay or quit doing the task.

So now it is very clear what is the problem and where is the defect and the solution is in your hand. If you keep laziness in your life then you will find nothing to harvest. But if you hate to be in want and find nothing then ahead of you the hard and diligent work that will bring God's blessings and great harvest.

Come out from laziness and escape from all the lies of Devil and commit once again your life fully unto Him to be diligent and obeying fully the word of God and on time.

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord I confess to you my sin of laziness, I can't hide that from you. Thank you for your word and the Holy Spirit that bring conviction in my life. Lord I commit myself to be obedient and diligent in my life and walk with you. Grant me Lord the strength and the grace to do that. This all I ask and pray in Jesus name, Amen.

“Diligent hands will rule, but laziness ends in slave labor.”

(Proverbs 12:24)
