

“¹² So I will always remind you of these things, even though you know them and are firmly established in the truth you now have. ¹³ I think it is right to refresh your memory as long as I live in the tent of this body, ¹⁴ because I know that I will soon put it aside, as our Lord Jesus Christ has made clear to me. ¹⁵ And I will make every effort to see that after my departure you will always be able to remember these things.”
(1Peter 1:12-15)

Apostle Peter was writing to the church the word of God. His aim was to remind them of the things that they know well.

Sometime you know certain things and they are in your memory but they will become less sharp and bright as time pass on. So you need to be reminded to refresh the memory of the truthful things that important for your faith and your walk with God.

That is why you need to read the bible regularly to refresh your mind with the word of God that you are firmly established in.

And that is why the bible is written, so that we can continue to read and be warned of the things that we need to be care of. **“These things happened to them as examples and were written down as warnings for us, on whom the fulfillment of the**

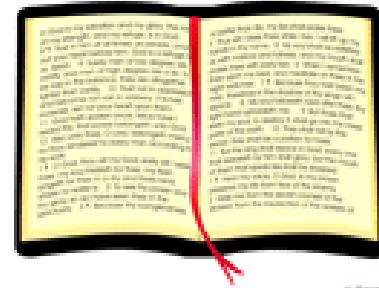

ages has come.” (1Corinthians 10:11)

The bible also written to encourage us and be sustained with God’s word while we live our lives for Him. **“For everything that was written in the past was written to teach us, so that through endurance and the encouragement of the Scriptures we might have hope.”**
(Romans 15:4)

This is what we can give to you now; the word of God that will last forever. With God’s word there is wisdom, direction, healing, provision and protection, for this is what God said about His word, **“so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it.”**
(Isaiah 55:11)
