

***“The wicked flee though no one pursues, but the righteous are as bold as a lion.”***

***(Proverbs 28:1)***

*Have you done anything wrong? Are you living in sin? If yes, then you will be afraid and will always be in suspect because you have done something bad and afraid that someone is following after you.*

*The wicked will always be in fear because of his shortcomings and the wrong things that he had done. He is always suspecting that people pursuing him to pay him his wrong doing.*

*But if you have not done anything bad or you did not sin then why you are afraid? You don't need to be afraid.*

*God' word is to assure those who live a righteous life. They might be surrounded by difficult circumstances or are facing trials but there is no way for fear to enter their lives because they did their part well.*

*Persecution should not inject fear in your heart. You need to stand firm and this what the word of God is telling us. You should not flee or run away.*

*Devil will try to shake the righteous and put fear in him. Even might accuse him and intimidate him by*

*putting doubts on his righteous life and stand for God.*

*But God's word build in us courage and confidence in the LORD; that as long as we are living a righteous life for God we need to be bold as lion facing the world with non comprising message and bold Christian style of living based on the Scripture and God's truth.*

*You righteous, you rise up and remove fear and doubts from your mind and be bold and shine for the Lord in your life and dedication unto him. And surely goodness and love will follow us all the days of our lives and we will live in the house of the Lord forever.*
