

“Those who work their land will have abundant food, but those who chase fantasies will have their fill of poverty.”

(Proverbs 28:19)

Hard working is so much required. God’s word says that and reality prove it.

Those who work hard and they are diligent in their work they will have progress, success, abundant food and good store of everything.

The time factor is very important in our lives. The opportunities that God allow to pass across our lives will not be repeated. If we lose them then that will be deducted from us.

And that is why you find people who are diligent and catching opportunities that God is opening in their lives, they are successful and have an abundance of everything; those who work their land will have abundant food.

But those who chase fantasies will have their fill of poverty. There are people who are diligent in chasing fantasies. They are so concern to go to parties, going and visiting expensive places, going on journeys, etc. They are wasting their times, effort and money with such non fruitful things. Instead of investing all what they have in diligent work to

achieve the real goals that God want them to obtain.

People who are so occupied with friends, going out together, looking around for fun, and making all the excuse to avoid involving in the real work that they need to do, such people they will not have success at all.

God is so faithful to His word. Those who are working hard they will be rewarded, but those who are careless, irresponsible and looking for worldly things to enjoy themselves they will not prosper. God is serious with you as you read the message. He wants you to repent and turn away from laziness and to be diligent in your life and conduct before him as you agree to pray.

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord I repent from my laziness. I renounce all the following things _____ that are taking me away from you and from doing your will. Lord give me one more chance to be in expectation of what you want to see in me and what you wants me to be, this is my request in Jesus name, Amen.

“For we are God’s handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.”
