

“My cup overflows.”

(Psalm 23: 5)

King David proclaimed to the world the goodness of the Lord God, that every thing he had was more than he needed because God provided.

“My cup overflows” means the cup is filled and spilling over and around. You may shout and say “enough! this is more than what I need.” This same description is the blessing to us if we live in the fear of the Lord and we follow His decrees of love and holiness.

1. We receive material blessings: not by big things or large quantities but we have the satisfaction and appreciation to every small things that God supplies. We look toward God’s faithfulness for providing our daily provision of food, drink, shelter, clothes, good health and peaceful mind.

2- We experience spiritual blessings: God demonstrates love and teaches us to love even our enemies. He encourages us to persevere in trials, to be patient in affliction, to be joyful in season of scarcity or times of wars. God restores faithfulness in times of betrayal, and good fellowship in loneliness.

“My cup overflows” because God opens a way in the desert and stream in the wasteland.

MY PRAYER

Heavenly Father, if You have given your Son Jesus to die for my sin to give me eternal life, how my cup will not overflow? I will join David and shout, “my cup overflows.” I thank You, O Lord for blessings You gave me and with honour you clothed me. I will rejoice and sing to You a new song. In my mouth I will declare your praise for You are my God, my rock and my faithful Lord. In Jesus’ name, Amen.

“I will praise you, O Lord, with all my heart; I will tell of all your wonders. I will be glad and rejoice in you; I will sing praise to your name, O Most High”

(Psalm 9: 1,2)
