

“But if we have food and clothing, we will be content with that.”

(1 Timothy 6: 8)

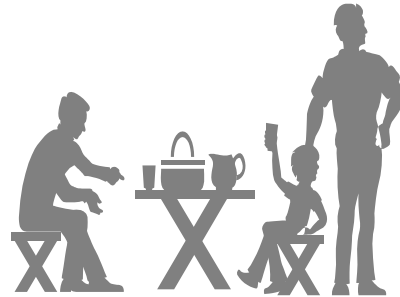

O man, what do you need more in this life to be content? Is it not enough to have food to fill your stomach and clothing to cover your body? For Adam and Eve God provided them everything. Noah and his family, Abraham and his household, Moses and all the people of God they all received the same provision from God. And they lived peacefully while they were content.

Is it not enough to have food and clothing? No, it is not enough if we don't receive God who provides all things. God, the giver of life promised an overflowing blessing to those who believe in His Son Jesus who died on the cross to give eternal life. Jesus said, **“I have come that they may have life, and that they may have it more abundantly.”** *(John 10:10b KJV)*

Life with Jesus is not just eating and drinking but a life with love, joy and peace. Life with Jesus is full of hope and assurance of eternal glory, protection and provision of all our necessities. It is only through the life with Jesus that we become contented with the food we have and with the clothing we now wear.

“O man, rejoice and praise God for the little you have.” Surely while we live for Jesus, tomorrow we will be in heaven, the place He is preparing for whoever believes in His name.
