

“Gold there is, and rubies in abundance, but lips that speak knowledge are a rare jewel.”

(Proverbs 20: 15)

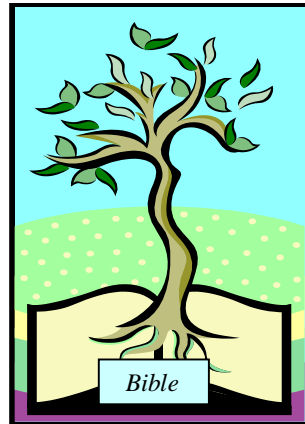

Jewels are small in size than any other thing around, but very expensive, therefore people run after it to gain it. God and rubies are many, but Jewels are rare to gain.

As rare as jewels, rarely to find lips that speaks knowledge. It does not mean the knowledge of the scientist, which may push little but never offer a permanent solution, it may support but it never be an essential for life.

Lips that speak knowledge are rare jewel: *It does not mean the knowledge of the world, but the wisdom that from heaven; these are the word from the Lord God: He spoke the world created the whole creation and gave life to man. “His mouth is sweetness itself; He is altogether lovely.” (Song of Songs 5: 16)*

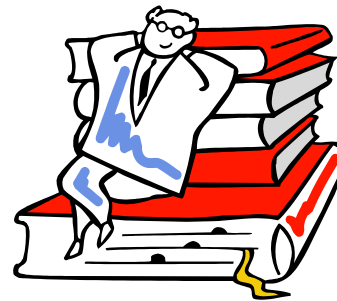

The Lord God came from heaven, He became man, His name is Jesus. He spoke and the sick healed and the paralytic walk, and the dead came to life. The Lord God save us when He died on the cross to save us from sin and raised from the dead on the third day to give us eternal life.

His Word is rare if you are away from Jesus, but abundant if you believe in Him and committed your heart to live your life for Him.

“For God does speak-now one way, now another-though man may not perceive it.”

(Job 33: 14)
