

*“Command those who are rich in this present world not to be arrogant nor to put their hope in wealth, which is so uncertain, but to put their hope in God, who richly provides us with everything for our enjoyment.”*

*(1 Timothy 6:17)*

*The rich person is the person who has money. The poor are those who does not have money. This is in the common language of the world where values are focused on what are seen; the material things and how much the capital.*

*Do all problems solved by money? Or do those with big capital have no problem? Are those who are rich their life better than those who are poor? Now if that Is the case we can say this: the rich are those who has money. The poor are those who have no money. The poorest are those who has only money or those who their hope only on money and the wealth that they have. Therefore God's word advises the rich.*

*1) Not to be arrogant because money cannot help much and cannot give power.*

*2) Not to put their hope in wealth.*

*3) To put their trust in God, “As the scripture says, “Anyone who trusts in Him will never be put to shame.” (Romans 10:11) Because God and not money can richly provide us with everything we need, and for our enjoyment.*

### *My Prayer*

*Father God I come before you in the name of Jesus who died on the cross for my sins and rose from the dead to give me eternal life. Lord forgive me that I put more trust in money, wealth and material things, more than in you. Help me Lord to live a godly life, to be rich in good deeds, and to be generous and willing to share. Thank you Lord, this is my prayer in Jesus name, Amen.*

*“Keep falsehood and lies far from me; give me neither poverty nor riches, but give me only my daily bread.”*

*“Otherwise, I may have too much and disown you and say, ‘Who is the Lord?’ O I may become poor and steal, and so dishonour the name of my God.”*

*(Proverbs 30: 8-9)*
