

"A man's own folly ruins his life, yet his heart rages against the LORD."

(Proverbs 19: 3)

You hear many people they are saying, 'Why God has done this to me,' 'Why God is not caring about me,' 'Why God is not listening to my prayers!' They are saying blaming words against the Lord putting the full responsibility on Him, as if God is the source of their troubles.

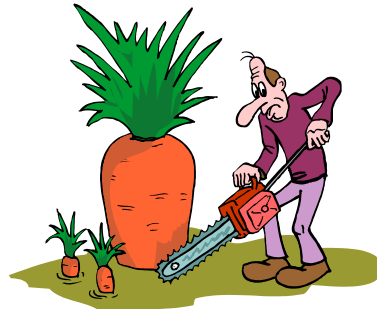

The word of God clearly tells us, **"Do not be deceived: God cannot be mocked. A man reaps what he sows."** (Galatians 6:7) It is not God who is doing badly to you, it is not God who makes your life difficult but it is your folly and your life of sin.

Sin had destructive power on man's life. Any sin you had done or you are doing has a bad consequence upon your life. Wrong decisions or wrong steps that you have taken in the past it was a bad seed and it will give rise to a bad sequel. Sin in your life is a

dormant trouble like a bomb any time it can explode.

Therefore if your life had been ruined by certain things you have done wrong in the past don't be angry with God it will be of no use to you.

What I suggest to you is to go back to God, to humble yourself and fully repent from your sins. Ask God what you need to do and he will give you the wisdom and the grace to come out from your troubles. He will show you the steps to do that.

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins and rose from the dead to give me eternal life. Lord forgive me all my sins. I repent from all my wrongdoings that ruined my past life. Lord give me the grace and the wise steps how to come out from my troubles. Thank you Lord, this is my prayer in Jesus name, Amen.
