

***“A wise king winnows out the wicked; he drives the threshing wheel over them.”***

*(Proverbs 20: 26)*

*Wisdom is supreme, it teaches us the way of life; how to do God's will and how to serve Him. Part of God's wisdom is not to keep company with wicked people, or entertain wickedness. God allows us to go to the wicked for only one reason, to preach the good news of Jesus to them. Those who respond they will be part of us. Those who does not respond we should not allow them to abuse our time, efforts, money resources or our spiritual gifts. This will be a waste, because we can direct our resources to a better achievement.*

***A wise king winnows out the wicked:*** *It need much wisdom to do this tactful work. The Lord will give us this wisdom if we ask of Him and if we are willing to obey His proper instruction in doing our service unto Him.*

*If we keep wicked people around us we will suffer harm because constantly they will cause trouble to us. Also spending our resources unnecessarily on wicked people is waste. As well as those who are faithful around us will be affected by this misdistribution of resources and this is not a good stewardship.*

*If we are wise in this aspect we are crushing the enemy who wants to drain us and suck our resources. God's Word it teaches us wisdom and keep us safe, successful and victorious in our walk with God.*

### ***My Prayer***

***Father God, I come before you in the name of Jesus who died on the cross for my sins and rose from the dead to give me eternal life. Lord thank you for Your Word and wonderful teaching to me. Lord remind me always of them because I love to do it, and it is of benefit to me. This is my prayer in Jesus name, Amen.***
