

**“Do not let this Book of the Law depart from your mouth; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful.”**

*(Joshua 1:8)*

God had given to Joshua before he lead and enter the promise land the following commands.

**1- Do not let this Book of the Law depart from your mouth:** The Word is very necessary to teach, correct, rebuke and train in righteousness. We need to continually read and study the Word of God because it directs us to what God wants from us to do.

**2- Meditate on it day and night:** We need to digest the Word of God with prayers and meditation on it so we can apply what God wants from us in our lives.

**3- So that you may be careful to do everything written in it:** Is not only the knowledge is important but our obedience to God's commands and His Word is of more value. One thing is to know God's commands and His Word other things is to obey it.

Many times we think that success and prosperity will come into our lives if we study more and work hard more and get certificates more, but we forget the above simple and fundamental principles. Therefore we ought to be more diligent to observe the above-mentioned principles. So as we are faithful to do the above, then we become:

**A- Prosperous:** The aim of everything we do in our lives is to be prosperous in every aspect of life, and this we achieve as we obey God.

**B- Successful:** We want to have success in our lives, and success sure will come as we obey the Word of God.

### **My Prayer**

**Father God I come before you in the name of Jesus who died on the cross for my sins, was burned and rose from the death to give me eternal life. Lord teaches me your Word and commands and helps me to obey them, this all what I ask and pray in Jesus name, Amen.**
