

“For as churning the milk produces butter, and as twisting the nose produces blood, so stirring up anger produces strife.”

(Proverbs 30:33)

There are things we do it reproduces certain results. For example churning the milk produces butter, and this is the old way to make butter.

There are good things we do it reproduces and give good fruit and results. What we sow we reap; if we sow good things of the Spirit we reap good life; life to the full and eternity.

As well as if we sow things of the sinful nature then surely we will reap things we don't like to hear or see. Likewise when you twist a nose you would expect blood would come out of it.

What we saw we reap. If we are going to stir up the anger of anyone then we should expected strife. So if we ought

to face something wrong we need to ask God to give us wisdom and the way to handle the people and the situation.

Wisdom of God is needed to tune us not to stir up anger and misses the point; we need to be aware in this matter so we will avoid bad reactions and reap good result.
