

**“He said, “Surely they are my people, sons who will not be false to me”; and so he became their Savior.**

**In all their distress he too was distressed, and the angel of his presence saved them. In his love and mercy he redeemed them; he lifted them up and carried them all the days of old.” (Isaiah 63:8-9)**

*Is a great message what God is giving us. A compassionate God, He will never forget His children. God love us; He is our Saviour and He is our Redeemer. He sent His Son the Lord Jesus Christ who died on the cross for our sins. By the blood of Jesus and His sacrifice on the cross we became children of God, and so we are.*

*God promised that we will not be false to Him. We are His children, the sheep of His pasture; He will not leave us nor forsake us.*

*In all their distress He too was distressed: When you are in pain God is feeling that pain. When you are squeezed God is in pain and suffering for that. In the trials that you are passing through God is also in pain and in suffering.*

*And the angel of his presence saved them. The angel of his presence is God presence in our lives, and he will save us and support us as He was in supporting His people. The hardship in which you are now God is with you. He is Emmanuel God with us.*

**He lifted them up and carried them all the days of old: God was with His people. When they felt down in troubles and traps He lifted them and carried them till He put them in a safe and secure place. At the point of their suffering may be they were not aware of that but later on they would realized that and in a clear way.**

*Now you may not realize that God is lifting you up and carrying you to a safe place but time will come when you look to the whole scenario and you will realize, conclude and see that God was with you along the way.*

### **My Prayer**

**Father God I come before you in the name of Jesus who died on the cross for my sins, who was buried but rose from the dead on the third day to give me eternal life. Lord thank you for all your good promises to me that comfort me and assure me that you are always with me. Increase my faith and help me to enjoy your presence in my life even in times of troubles and trials. Lord as you was with them I believe you are doing the same with me now. This is my prayer in Jesus name, Amen.**

**“For I am the LORD, your God, who takes hold of your right hand and says to you, do not fear; I will help you.”**
