

“They dress the wound of my people as though it were not serious. ‘Peace, peace,’ they say, when there is no peace.”

(Jeremiah 6:14)

When you get a wound in any part of your body, you would try to keep it clean and not to be contaminated with the surrounding atmosphere; you will not allow the dirt to come in and to be infected. Further you may clean it with antiseptic and try to remove a dirt from it, then apply some cream then you dress it and bandage it with a proper bandage.

When the wound is dirty and it is deeper it is serious and need to be deal with it in more proper way. It needs to be cleansed and whatever inner damaged parts needs to be repaired and wound would be closed and bandaged appropriately.

Spiritually wounded people need to address their spiritual condition in appropriate way. People spiritually get **wounded** because of **sins**, spiritually **attacks from Satan and demons** and become a victim to that, or wounded **with trials and life's hardships**.

God is addressing the message to the spiritual leaders that he put over His people. They ought to help the people and direct them with the truth that God had declared clearly through His Word.

People who are injured due to their sins, they need to repent from that. Things should be made to them clear. If they will speak that God forgive but they will not tell about repentance, or they will speak about God's love and mercy but they will not tell

that He is a God of justice, then how people will get healed from their wounds that caused by their sins? If that not happening then those who are leading the people of God they mislead them in a wrong, dangerous and serious ways. We have to counsel the people with the Word of God and explain to them the goodness of the Lord as they repent and renounce sins from their lives.

When we speak about God's deliverance we should educate the people about the footholds and the door ways that Satan and demons may use to enter their lives. They have to eliminate the foothold and close the doorways that the evil one may use to enter their lives. In such a case we are dressing their wounds in a proper way. We are giving the clear picture by telling them and educate them about the full truth.

We ought to teach the people properly about the ways of the Lord and to live their lives to God and how to face trials and hardships in life; in such a way we are leading the people beside quiet water and bringing them into safety.

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins, who was buried and rose from the dead on the third day to give me eternal life. Lord I commit myself to teach properly and make things clear to the people and I will not compromise. I ask you to help me to do that. This is my prayer in Jesus name, Amen.

“For the lips of a priest ought to preserve knowledge, and from his mouth men should seek instruction—because he is the messenger of the LORD Almighty.”
