

“All the trees of the field will know that I the LORD bring down the tall tree and make the low tree grow tall. I dry up the green tree and make the dry tree flourish. “I the LORD have spoken, and I will do it.”

(Ezekiel 17:25)

God is sovereign over the entire world for all are created by Him. Everyone should be aware about that; human, animals and even the plants.

In the chosen Scripture God wants things to be clear even to the trees of the field. Not that the trees should know that, but if God wants the trees to know that then how much more He required that from the human whom He created on His own image and likeness.

God in His Word had put clearly the following spiritual principles:-

1- The LORD brings down the tall tree: What He means here not that God does not like the tall trees, but God is symbolizing the human pride with the tall tree. God oppose the proud, and those who see themselves above God and above His Word and His divine will and plan, God would bring them down. God knows how to humble them and bring them down.

2- He dry up the green tree: God can cause the proud who are flourishing with material blessings but no fruit of repentance, to dry up and perish.

3- God will make the low tree grow tall: God will take care of the humble. He will give to them more grace and cause them to grow. God's grace is for all but only the humble can receive it and got Gods' blessings properly.

4- God can make the dry tree flourish: God would bless the poor in spirit, for they will inherit the land. God will bless the oppressed and those who are underprivileged; He will vindicate them and compensate them all what the years of dryness have taken away from them.

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord thank you for your promising Word to me. Help me to trust you more and to be diligent realizing that you will be the one to reward me and compensate to me what the evil one had taken from me, this all I ask and pray in Jesus name Amen.

“Now I, _____, praise and exalt and glorify the King of heaven, because everything he does is right and all his ways are just. And those who walk in pride he is able to humble.”

“But he gives us more grace. That is why Scripture says: God opposes the proud but gives grace to the humble.”
