

***“Son of man, the people living in those ruins in the land of Israel are saying, ‘Abraham was only one man, yet he possessed the land. But we are many; surely the land has been given to us as our possession.’”***

*(Ezekiel 33:24)*

*When God called Abraham He called Him from Ur. He responded to God’s call and moved to Aram, and then continued to reach Canaan. And that was the promise land that God had promised Abraham to give to his descendants, the Israelites.*

*Abraham after he reached Canaan, He almost spent the rest of his life in that area of the world with his wife Sarah and his son Isaac.*

*Abraham was a stranger to that land and foreigner to the people their, but he lived a life impacted by God’s moral and His grace. And as you read his life story from Genesis 12 to 25 you would see clearly that Abraham although he was alone but he had a great impact on the land that he lived in.*

*At the time of the prophet Ezekiel there was almost 1600 years span from the time of Abraham, and at this period the Israelites they were so numerous and*

*they almost filled all Canaan. They were thinking that if Abraham was alone and possess the land how much more for themselves who are numerous. Surely they will do very well with their great number and multitude.*

*But this is a wrong computation. It is not a number game, but how much we are obeying God.*

*The LORD has no regard to numbers as long as we obey and follow His Word and His commands. Number is not the rule, obedience is. This is a spiritual principle, good to know so we can apply in our lives to possess God’s blessings and got prosper.*
