

“You will have plenty to eat, until you are full, and you will praise the name of the LORD your God, who has worked wonders for you; never again will my people be shamed.”

(Joel 2:26)

And we praise the Lord for that; for the good news that we had received from Him. We kiss the feet of the Lord for His care and His love for us. We thank the Lord for His loving kindness to us and His mercy and His care in our lives. We thank the Lord for the miraculous deliverance and His awesome acts of justice that He had done for us.

How it was beautiful and awesome when the Lord protected us from all the hardships and the cunning of the enemies. We had escaped miraculously from the schemes of devil and all those who work with him. We had lot of stories and memories that we will not forget of how the Lord hid us with His wings, stood beside us and shielded us with His grace.

You will have plenty to eat, until you are full: And we thank the Lord for that. In the presence of the Lord in our

lives even the simple food is delicious and pleasant to us. In the presence of the Lord we will eat our food with joy and in peace. The Lord will give us good health, with strong teeth, healthy stomach and fit organs so we will enjoy all kinds of food and without restrictions.

Never again will my people be shamed: God will not allow anyone anymore in the future to come and to harass us and harm us. Our trust and confidence on Him will be restored and build us up as before and more; what had happened in the past from trespasses and shortcomings it will not be repeated again. The Lord will not allow that anymore.

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord I thank you from the depth of my heart for the great promise that you have for me. O Lord keeps me enjoying and prospering this promise of yours. To you Lord I adore, and I give you the praise, Amen.

“Your threshing will continue until grape harvest and the grape harvest will continue until planting, and you will eat all the food you want and live in safety in your land.”
