

“Moreover, when God gives someone wealth and possessions, and the ability to enjoy them, to accept their lot and be happy in their toil—this is a gift of God.”

(Ecclesiastes 5:19)

3- The ability to enjoy them: Because not only to have good things from God, but to enjoy what God had given us. Many people are occupy with many thoughts and projects and plans to achieve but are not enjoying what God is giving them today.

4- To accept their lot and be happy in their toil: God also will make us satisfy with the type of job and the amount of income that we have. God will give us satisfaction and joy in all our toil.

“This is what I have observed to be good: that it is appropriate for a person to eat, to drink and to find satisfaction in their toilsome labor under the sun during the few days of life God has given them—for this is their lot.” (Ecclesiastes 5:18)

We always expect from God to give us the good things so that we can enjoy them in our lives. And that what the Word of God admonish us, **“Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows.”** (James 1:17) God will give us the following:-

1- Wealth: Money and other precious materials God will give to us so we will have the resources to live a good life. God in giving us wealth He is providing us with what we may need; things will be available for us for proper living.

2- Possession: God give us things under our care to manage it and to share it with others. These possession will sustain us and others in life. Not only that, but God will gives us as well,

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord I thank you for Your Word that had opened my eyes to the truth. Lord I thank you for all what you have given me from job, wealth, possession, and my lot from toil and income. Lord I pray now that you will make me enjoy all that, this is my request in Jesus name Amen.
