

“Better a small serving of vegetables with love than a fattened calf with hatred.”

(Proverbs 15:17)

What we need to look for? Are we going to look on the external things or the internal things of the matter? Many they look on the external things but they forget to look on the inner things. **“The LORD does not look at the things people look at. People look at the outward appearance, but the LORD looks at the heart.”** (1 Samuel 16:7b)

What are you looking for? Are you looking for a fattened calf and you don't like a simple serving of vegetables. In this way you are despise the simple thing of what God is giving you.

If God had giving you a simple thing He had given you that with love. Externally it is not much acceptable with your choice. But please taste it and see how it is? It is full of love and beneficial to you because this is what you need.

On the other side of the story you may get a fattened calf; an offer it look big and capacious but as it is coming from the devil then it is full of hatred and as you receive it you will be suffering from the work of Devil.

People they want to enjoy the worldly things because it looks like a fattened calf, but the prize they will pay is high.

Ambitions and wanting behaviours will lead us to troubles because this where Satan and its work is residing. While satisfaction and contentment with the simple thing that God is giving us bring us into His love and care and make us enjoy life in the way that God wants us to enjoy it.

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord grants me repentance from wrong ambitions and lack of contentment. Lord helps me to be satisfy and be glad with what you had given to me. This all I ask and pray in Jesus name Amen.
