

**“The wicked accept bribes in secret to pervert the course of justice.”**

*(Proverbs 17:23)*

*Yes we are in need for money and we are loaded with lot of things that we need to buy and provide!*

*God knows what we need before we ask of Him and He will be the one to provide for us. Then what we need to do? We have to wait for Him until He comes and satisfy us with what we needs.*

*When we are in need Devil might know that and may come to us and bring what we lack. Yes Devil also may bring to people the material things that will make their life better.*

*But you may ask what the Devil's purpose in doing that? Devil will not do that to help the people. Devil will do that in order to bribe them and buy their conscious and will to do what he wants them to do.*

*Now it is clear that there is a provision from the Lord to sustain us in our lives and living. As well as there is also trial from Satan to bribe us using the hard time that we are passing through in order to pass unto us its plan and wicked agenda.*

*Now if we wait upon God and trust Him sure He will come with His provision and we don't need to corrupt ourselves with*

*Devil dirty things. This is the righteous life that God would expect to see and found in us.*

*The other option is to get a solution from the Devil who might give us what we want and we got relief. But in this way we already accepted to compromise and got corrupted with the world and the wicked ways of the Devil.*

*In this way we might get what we need but we have deviated and corrupted justice and we went away from the truth.*

*Not only that, but if we yield to Devil's will the others might see us and might got enticed and do wrong as we did following our bad example.*

*But why we do that, although we might suffer until we get relieved from the Lord but in this way we are standing firm for God and others will see and follow our good example and justice will be prevailed at the end and to everyone.*
