

“So you must be careful to do everything they tell you. But do not do what they do, for they do not practice what they preach.”

(Matthew 23:3)

This is what Jesus told the people about the Pharisees. Those they know the word of God very well, they preach the word but they don't practice what they preach.

Christianity is not knowledge; some people they think they will be saved by their knowledge of the word of God. But we are saved by the blood of Jesus when we obey the word; not when we know the word or know how to teach but we are saved by the blood of Jesus when we repent and obey the Word of God.

The advice of Jesus to the people of God is that they will obey what the teachers of the bible will say when it is in accordance to the word of God. But if their lives are not in line with what they preach the people should continue to obey the Word of God and not to stumble with the bad example of the teachers of the Law.

Because in many times we find people they move away from Christ because they stumble with the bad example and the wrong attitude they see in the people of God. When those who teach the Word of God are not following what they preach they cause others to stumble and fall. But here the word of Jesus

is immunization against such mishap; that even if the teachers and the preachers of the bible are not obeying God that is not our problem, it is their problem. But we should follow God and obey His Word.

We should practice what we read in the Bible. We have to follow what we learn from the Word of God and always looking forward to the example of Christ and set before our eyes clear goals to achieve in order to please God and walk in His ways. For God will reward everyone according to his conduct as we clearly know that, “Anyone who does wrong will be repaid for their wrongs, and there is no favoritism.”
(Colossians 3:25)

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord thank you for your word that is encouraging to me and put me in the right way. Lord I commit myself not to be discouraged by the bad examples of those who teach your Word but they don't practice what they preach. Lord I commit myself to practice and live your Word. Dear Lord enable me to do that. This is my prayer in Jesus name Amen.

“In everything set them an example by doing what is good. In your teaching show integrity, seriousness and soundness of speech that cannot be condemned, so that those who oppose you may be ashamed because they have nothing bad to say about us.”
