

“One who is slack in his work is brother to one who destroys.”

(Proverbs 18:9)

How you will respond to those who are using power and weapon to destroy houses, farms, projects, factories and cities? Sure you will react and get upset, and the more if the destruction is coming near to your side.

One who is slack in his work: *Is the one who is lazy and keep postponing and delaying to do what he is asked to do. The person who is slack in his work tries to do the work only to the last minute. In doing that he might not be available to do it, because certain emergencies might be happening and hindering him to achieve what he had promised.*

Therefore the work that needs to be done will not be performed and the word of God will come true, “One who is slack in his work is brother to one who destroys.” Because it has the same effect; if the work will not be done is equal to destruction.

There are certain times we are concentrating on certain sins and we think it has more harmful effects than other sins but we are not aware that

these sins might have the same or more destructive effects of other sins.

Time is very crucial factor and it is equal to money or material things. If we waste time and delay in our achievement and fulfilling what is expecting from us to do then we are destroying.

Be careful then from what you had read and come to know. Being lazy is sin and that have destructive power and bad effects on you and on others.

Therefore repent and correct yourself and be transformed by the renewing of your mind and start to walk in the way of the Lord.

My Prayer

Father God I come before you in the name of Jesus who died on the cross for my sins to give me eternal life. Lord I ask you to forgive me all my laziness and lack of achievement and broken promises to you. Lord today I commit my life and my ways to go in accord of your ways. Lord I am willing to be diligent, deliver me from all the lies of devil and give me strength to do your work and will. This is my prayer in Jesus name, Amen.

“I went past the field of a sluggard, past the vineyard of someone who has no sense; thorns had come up everywhere, the ground was covered with weeds, and the stone wall was in ruins. I applied my heart to what I observed and learned a lesson from what I saw: A little sleep, a little slumber, a little folding of the hands to rest— and poverty will come on you like a thief and scarcity like an armed man.”
